

# Pixie™ Seat

The Pixie seat is manufactured predominantly from recycled rubber tyres to provide an exciting, appealing seat for children as well as a fun prop for imaginative play.

## Standard Features

- Below-ground, galvanised mild steel fixing tube.

## Specifications

Seat height: 400mm  
Post length below ground: 200mm  
Weight: 25kg

## Materials

Mushroom Stem: manufactured from 100% recycled black tyres.  
Mushroom Top: manufactured from rubber tyres.

## Colours

Red with yellow spots.

# Junior Countryside Range™

The Junior Countryside range is manufactured from tough, hard wearing Enviropol® or Timberpol® recycled materials and consist of a seat, bench and picnic-table. These products are designed especially for children and are ideal for children's play areas, as they are robust and will not splinter.

# Other Products Available

Glasdon recycling containers are an ideal way of keeping children interested in recycling.
